Exhibiting with WAAC

The annual Art Fair Off the Square and Winter Art Fair Off the Square are the two juried fairs sponsored and produced by the Wisconsin Alliance of Artists and Craftspeople, Inc. (WAAC), a nonprofit, tax-exempt corporation formed to promote and create contact between Wisconsin artists and craftspeople and the public.

WAAC takes pride in having been created and operated by the artists themselves. In addition to providing a market for exhibitors, we continue to educate the public about art and to facilitate important one-to-one interaction between artists and buyers.

For more information and to sign up for notifications when exhibition applications become available, visit [artcraftwis.org](http://artcraftwis.org).
